In the Matter of:

THE APPLICATION OF ENVIRO UTILITIES,)	
INC., FOR A RATE ADJUSTMENT PURSUANT)	CASE NO.
TO THE ALTERNATIVE RATE FILING)	9101
PROCEDURE FOR SMALL UTILITIES)	

O R D E R

On July 23, 1985, the Commission notified Enviro Utilities, Inc. ("Enviro"), that it was in violation of KRS 278.185 because it failed to give proper notice of the proposed rates to its customers. Enviro was required to notify each affected customer by individual mailing to comply with this Statute.

Following that notice, the Commission has received numerous protest letters and requests for public hearing concerning this case. We are of the opinion that a public hearing should be held to allow consumers the opportunity to comment and to allow the introduction of evidence concerning the rates of Enviro. In addition, Enviro should be prepared to respond to any questions concerning information previously furnished the Commission which had been requested at the hearing held on June 5, 1985.

IT IS THEREFORE ORDERED that a hearing be and it hereby is scheduled on the 16th day of October, 1985, at 1:30 p.m., Eastern Daylight Time, in the Commission's offices, Frankfort, Kentucky.

IT IS FURTHER ORDERED that Enviro shall give notice of the hearing in accordance with the provisions of 807 KAR 5:011, Section 8(5).

IT IS FURTHER ORDERED that Enviro be represented at the hearing by appropriate officials and be ready to respond to any questions which may be asked.

Done at Frankfort, Kentucky, this 2nd day of October, 1985.
